LIBRARY
Registered students and community members may apply at the Library Loan Desk for a free library card which enables holders to check out circulating materials and access databases from off-campus. Students enrolled at either campus may borrow books and other materials from the Kentfield Library. IVC students are encouraged to contact the Kentfield Library Reference Desk with any questions related to their research needs at (415) 485-9475.

MEDIA COURSES (DISTANCE LEARNING)
The college offers a variety of credit courses through television, or Web-based environments. The telecourses may be viewed on the community access channels of Marin County’s cable company. Distance learning courses are self-paced and provide an excellent alternative for students who are unable to attend classes during traditional hours, or who would like to take additional units in a time-efficient manner.

Additionally, some courses are offered on DVD and are available for viewing at the Kentfield Campus. In addition to the DVDs, these courses often include some scheduled on-campus meetings, readings, student assignments, and some form of evaluation. The videos for these courses are generally available for checkout for viewing in the Media Center.

The Media Center also houses a wireless computer lab with 30 PCs and two Intel MACs and pay-for-print. You can access all software associated with your classes, write a paper, research online, or even access your foreign language lessons. Staff are available to assist you with computer-related questions.

PUENTE PROGRAM

College of Marin has been certified to implement the Puente Project, a highly acclaimed English and mentoring program that supports underserved students’ transferring to four-year universities. The one-year program is a learning community offering instruction in English 120 in the fall along with a counseling course, and English 150 in the spring; students are also paired with a mentor, often from the business/professional community in a field of interest to the student. The mission of the Puente Project is to increase the number of educationally underrepresented students who enroll in four-year colleges and universities, earn degrees, and return to their respective communities as leaders and mentors to future generations. The first Puente Project was initiated at Chabot College in 1981. Since then, the successful program has been replicated at 59 community colleges and 33 high schools in California. The UC Regents oversee the programs. For more information, call (415) 485-9375 or e-mail Arnulfo.Cedillo@marin.edu.

CLUBS
Under the sponsorship of the Associated Students (ASCOM, ESCOM, and ASIVC), and with oversight and guidance by Student Affairs, students may promote special interests by joining or forming student clubs on campus. Student clubs are an important part of campus activities.

Eligibility to become an officer of a student club requires that the student be in good academic standing, meet the requirements outlined in the respective Associated Students’ constitution, by-laws, and any other requirements set by individual student clubs. Each student club is required to have a faculty advisor and to meet operating standards set by the District Business Office in the collection and distribution of club funds.

INTERCOLLEGIATE ATHLETICS
Eligibility for Intercollegiate Athletic Competition is governed by the State Commission on Athletics. A student must be continuously and actively enrolled in a minimum of 12 credit units at his or her community college during the season of sport play. Of the 12 credit units, at least nine will be in courses counting toward the associate degree, remediation, transfer, and/or certification as defined by the college catalog.

A student who has previously participated at another college or university should check with the director of athletics to clarify eligibility to further participate at College of Marin.

PERFORMING ARTS
The Performing Arts Department (Music, Drama, and Dance) presents many fine concerts, plays, and dance performances every year for the college community and the public. COM students are encouraged to attend. Many events are free, but for those with an admission charge, students are offered discounted ticket rates. E-mail COMmusic@marin.edu to receive announcements of music department events, or contact the office at (415) 485-9460. For information about drama and dance events, call (415) 485-9555.

Even if you are not majoring in the performing arts, participating in an artistic production is a fun way to express yourself, and to meet new friends. If you have a talent in music, dance, or drama, are interested in small paid jobs in concert or stage management or audio/video recording, or would like to volunteer to usher for one of our productions, please call one of the above numbers for additional information.

STUDENT AFFAIRS
Beyond the classroom, the college encourages students to initiate and join in activities and programs that develop leadership ability, interpersonal skills and community involvement.

Through involvement with the Associated Students or college clubs and organizations, students may participate in a “hands-on” curriculum designed for personal and professional development. Students may learn how to run effective meetings, work successfully with others to achieve common goals or resolve differences, manage their time and commitments, assume or delegate responsibility, turn conflict into cooperation, and gain self-confidence. Learning how to build, develop and manage budgets, participating in special projects, and volunteering are often highlights of the college learning experience. This experience is fun and helps prepare students for better success in career planning and skill building.

Students who wish to take advantage of this unique aspect of the college should contact the Associated Students or Student Affairs offices to find out more about Associated Students, Student Senate, student
appointments to college committees, clubs and organizations, student project funding, and special student forums and events.

For further information about activities and organizations, students should consult the semester credit class schedule.

STANDARDS OF CONDUCT

All members of the college community are subject to State and Federal laws, as well as policies and procedures established by the Board of Trustees.

An important policy that all students should be aware of is the Student Conduct Policy. This policy is briefly described below. Questions regarding this policy and procedure should be referred to the Dean of Student Development and Special Services.

STUDENT CONDUCT

The following conduct will not be tolerated and shall constitute good cause for discipline, including, but not limited to, removal, suspension or expulsion of a student.

• Cauing, attempting to cause, or threatening to cause physical injury to another person.

• Abuse or assault of any District employee, including, but not limited to, violation of Education Code Section 87708, which may result in criminal charges in addition to any other disciplinary action.

• Possession, sale or otherwise furnishing any firearm, knife, explosive, or other dangerous object, including, but not limited to, any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, with the concurrence of the Superintendent/President.

• Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging, or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

• Committing or attempting to commit robbery or extortion.

• Committing or attempting to cause damage to District property or to private property on campus, or knowingly receiving stolen District property or private property on campus.

• Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.

• Committing sexual harassment as defined by law or by District policies and procedures.

• Engaging in harassing or discriminatory behavior based on race, sex, (i.e., gender) religion, age, national origin, disability, or any other status protected by law.

• Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.

  b. Submitting work previously submitted in another course, if contrary to the rules of either course.
  c. Altering or interfering with grading.
  d. Using or consulting any sources or materials, including electronic devices, during an examination unless expressly authorized by the instructor or as a permitted accommodation.
  e. Misrepresentation or falsification of academic work for purposes of obtaining a higher grade.
  f. Submitting a paper purchased from a research or term paper service, or written by another student, and falsely representing it as one’s own work.
  g. Purposely allowing another student to copy answers during a test.

• Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

The college will provide legal defense in any proceeding brought against an employee for any act or omission made within the scope of his or her employment by the college, to the full extent provided by law, including but not limited to Government Code 995, et seq.
STUDENT RIGHTS AND GRIEVANCES

Student grievances fall in different categories. A complaint that involves a student and a member of the faculty can be defined as a student academic grievance. Such a grievance is limited to issues involved in grading assignments and may demonstrate mistreatment.

A complaint may be lodged by a student against another student for actions on campus or at a college-sponsored function.

In case of sexual harassment, the student should report the incident immediately and directly to the executive dean of human resources.

Guidelines on the filing of a grievance are available from the dean of student development and special services.

SMOKING IN DISTRICT FACILITIES

The Board of Trustees of College of Marin recognizes that smoking presents a health and safety hazard that can have serious consequences. Furthermore, a strong link between environmental tobacco smoke or “secondhand smoke” and health risks has also been demonstrated. Therefore, the Board and the California Education Code prohibits smoking by staff, students, and visitors at all times on District property, except in designated smoking areas. Violation of this policy could lead to disciplinary action under usual disciplinary procedures.

DRUG-FREE AND ALCOHOL-FREE CAMPUS

It is the policy of the District to maintain a drug-free and an alcohol-free awareness program. The program has and will continue to include the distribution of information on the dangers of drug and alcohol abuse, and referral resources for counseling and rehabilitation dealing with drug abuse problems.

The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited on any of the College of Marin campuses. The term “controlled substance” is defined in the Health and Safety Code 11007.

Students who violate these prohibitions will be subject to disciplinary action up to suspension from college, in addition to criminal prosecution.

SEXUAL ASSAULT AND OTHER ASSAULTS ON CAMPUS

Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student or member of the public, that occurs on District property, is a violation of District policies and procedures, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity and provided comprehensive assistance.

The superintendent/president shall establish administrative procedures that ensure that students, faculty, and staff who are victims of sexual and other assaults receive appropriate information and treatment, and that educational information about preventing sexual violence is provided and publicized as required by law. The procedures shall meet the criteria contained in EC 67385, 67385.7 and 34 C.F.R.§ 668.46.
