**RESIDENCY REQUIREMENTS**

**California Residence**

Under the State of California Education Code, to establish California residency, a person must pair his or her physical presence in California with the following provisions:

- Objective proof of physical presence one year and one day prior to the first day of instruction for the term for which he/she has applied as indicated in the Schedule of Important Dates and,
- Intent to make California his/her home for other than a temporary purpose.

There are other factors to be considered for non-resident students holding various types of visas. These students are advised to contact the Office of Enrollment Services at (415) 457-8811 ext. 8822 for clarification.

Evidence of intent to make California their home for other than a temporary purpose could include but is not limited to a minimum of two (2) of the following:

- Voting in California elections.
- Obtaining a California driver’s license.
- Paying state income tax.
- Registering a motor vehicle in California.
- Maintaining continuous residence in California.

Act of intent must be accomplished for one full year.

College of Marin may determine at the time of admission or at a later date that such students may not have met the aforementioned residence requirements set forth for all California community colleges. Such students will subsequently be assessed and billed the nonresident tuition fee per unit at the current academic year rate.

Students who have not reached the age of 18 years are regarded as minors; their residence is that of one or both parents. Therefore, a student who is a minor is regarded as a resident of California only if one or both parents couple their physical
presence in California one year and one day prior to the first day of instruction for the term for which the minor has applied with the objective evidence that physical presence is with the intent to make California the home for other than a temporary purpose.

Special residence regulations are in effect for married minors, for minors whose parents are deceased, for certain military members and their dependents, and for various others.

Continuing nonresident students at College of Marin (with the exception of international students), who think that they meet the time and intent requirements necessary to establish California residency must contact the Office of Enrollment Services for residency verification and adjustments.

Residency Adjustments
Residency adjustments are not automatic. It is the student’s responsibility to initiate a residency inquiry and to provide proof of California residency.

Residency Appeals
Students may appeal their residency status as determined by College of Marin through the following procedures:

- Requests must be addressed, in writing, to the Dean of Enrollment Services, within two weeks of receipt of the notification.
- If further review is required, a meeting with the Dean of Enrollment Services may be requested.
- Students are required to provide ALL documents required to verify their residency status.

Nonresident Tuition Waiver under AB540
As a nonresident, you may be eligible to pay the $46 per unit California resident enrollment fee.

What is AB540? AB540 is a state law that exempts certain students who are not residents of California from paying non-resident tuition at the California Community Colleges, California State Universities and Universities of California.

Who is eligible? Students who meet all of the following requirements:
1. You attended a California high school for three or more years.
2. You graduated from a California high school or attained the equivalent of a high school diploma from California (e.g., G.E.D. or California Proficiency Exam).
3. You registered in the spring of 2002 or later.
4. You complete a California Nonresident Tuition Exemption form.

If you have been determined to be a nonresident of California and meet all of the above requirements please complete the California Nonresident Tuition Exemption form and submit it to the Office of Enrollment Services. Please contact the Office of Enrollment Services if you need help filling out the form.

PREREQUISITES, COREQUISITES, AND ADVISORIES

College of Marin affirms that students are entitled to pursue intellectual, physical, social, ethical, and career development, and that prerequisites, corequisites, advisories, and certain enrollment limits should be established only on a course-by-course basis, only where they are appropriate, and never if they constitute unjustifiable obstacles to student access. Therefore, College of Marin adopts the following policy in order to provide for the establishing, reviewing, and challenging of these course requirements in a manner consistent with law, safety, and good practice.

Definitions
1. Prerequisite: A prerequisite is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a particular course or program. Examples of courses that may require prerequisites are:
   a. Courses for which specific prerequisites have been justified by content review, the appropriate level of scrutiny and any other validation procedures required by law (Title 5, 55201 a-f);
   b. Sequential courses in a degree-applicable program;
   c. Courses requiring a prerequisite to transfer to a four-year college;
   d. Courses requiring preparation to protect health and safety; and
   e. Technical or vocational courses or programs that require special preparation.

   Note: College of Marin will not grant credit for a prerequisite course that was taken and passed after the next course in a sequence of course was taken and passed. (e.g., A student enrolls in Chemistry 114 and passes it with a satisfactory grade after being enrolled in Chemistry 115 and passing it. Credit for Chemistry 114 will not be granted.)

2. Corequisite: A corequisite is a condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course. Courses that may require corequisites include:
   a. Courses that are part of a closely related lecture-laboratory pairing requiring concurrent enrollment.
   b. Blocks of courses for which enrollment is limited in order to create a cohort of students.

   The college requires students to complete prerequisites with a grade of C or higher prior to registering in the course requiring the prerequisite. Likewise, students are to register in all required corequisites as pre-enrollment preparation.

Equivalent Coursework
Some prerequisites may be satisfied by equivalent course work from an accredited institution other than College of Marin.

Prerequisite Recency Requirement
To ensure student success, some prerequisites for certain courses in Chemistry and Physics must have been completed within 5 years of enrolling in the target course. Students may opt to test out of this requirement. Please see the Chemistry and Physics headings in Section 6 for more information.

Prerequisite Challenge
Students have the right to challenge prerequisites and corequisites on certain, specified grounds:
1. The prerequisite or corequisite has not been established in accordance with the district’s process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is in violation of Title 5 regulations.
3. The student seeks to enroll and has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance or one or more of the courses for which enrollment has been limited to a cohort of students. The student shall be allowed to enroll in such a course if otherwise he/she would be delayed by a semester or more in attaining the degree or certificate specified in his/her educational plan.

4. The student seeks to enroll in a course that has a prerequisite established to protect health and safety, and the student demonstrates that he/she does not pose a threat to himself/herself or others.

5. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

6. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.

7. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

Challenge Process
Any student who does not meet a prerequisite or corequisite or who is not permitted to enroll due to a limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

Priority Process
Prior to Start of Term Registration
Students must file their challenge five days before registration starts for the term in which the student seeks enrollment. When a student files a challenge to the prerequisite or corequisite, the District shall reserve a seat for the student and resolve the challenge within five working days. All official documents must be attached to the petition before the "five working days before registration" period begins. If the challenge is upheld or the District fails to resolve the challenge within the five working day period, the student shall be allowed to enroll in the course.

After Term Registration Begins
Prerequisite/corequisite challenges received after registration begins for the term in which the student seeks enrollment will be processed in the order received. Students will not be allowed to enroll until the challenge has been approved.

If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is approved, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Students interested in challenging a prerequisite or corequisite course are advised to go to: http://www.marin.edu/admissions/Prerequisites.htm for more information about the challenge process.

Course Substitution
Substitution for any required course must be approved through a Petition to Substitute/Waive Graduation Requirements. An official transcript and catalog description must accompany the petition. For noncomparable courses, Department Chairs will be consulted to determine course acceptability. Students should be encouraged to request substitution in their first semester of attendance.

PETITION FOR SUBSTITUTION OF PREREQUISITE COURSES FOR COLLEGE OF MARIN REGISTERED NURSING PROGRAM
If prerequisite courses were taken at other colleges, College of Marin must first determine for itself whether those courses are suitable substitutes for the College of Marin prerequisite courses. This process requires the student to petition the College to accept courses taken elsewhere as satisfying College of Marin prerequisites. Additional time is needed for the college to make these assessments. Therefore, students hoping to substitute courses taken at other colleges for College of Marin prerequisite courses must plan for additional time to allow the college to assess their applications.

Petitions for Substitution must be submitted before applying to the Nursing Program. It is the student’s responsibility to request official transcripts and course descriptions for the year the course was completed and attach catalog course descriptions to the petition. Official transcripts must arrive in the original sealed envelope from the issuing institution and have an embossed or water seal. Official transcripts should be sent via U.S. Mail or hand carried to: Office of Enrollment Services, College of Marin, 835 College Ave, Kentfield, CA 94904 between September 1 and October 31 for admission the following fall. Those who submit the Petition for Substitution after October 31 are not guaranteed a decision in time for the RN application date. The original approved/denied copy will be kept in the student file and a copy of the petition will be sent to the student.

Students who successfully petition for substitution must attach a copy of the approval of their petition to their Application for the Nursing Program.

REGISTRATION INFORMATION

ENROLLMENT PRIORITY
In September 2012 the California Community Colleges Board of Governors approved a regulation to establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer to a four-year university and to reward students who make progress toward their educational goals.

Beginning in the Fall 2014 semester, new students who have completed college orientation, assessment and developed education plans as well as continuing students in good academic standing will now have priority over students who do not meet these criteria. To be in good academic standing, a student cannot be on Academic Probation or Progress Probation for two consecutive terms. In addition, students who have accumulated 100 or more units (excluding most basic skills English and math and English as a Second Language classes) by Fall 2014 will lose priority enrollment. Students who feel they may be at risk of losing priority status are strongly encouraged to see a counselor to discuss their educational plans. College of Marin’s revised enrollment priorities can be found in Administrative Procedure 5055, located on the web at www.marin.edu/WORD-PPT/AP5055EnrollmentPriorities_Revised4-16-13.pdf.

The order of priority for registration is as follows:

1. Students (in good standing) who have completed the Matriculation Process and who are: members of the armed forces or veterans, Foster Youth or former Foster Youth, DSPS, or EOPS.
2. New students who have completed the Matriculation Process (but who do not fit the special criteria in Priority 1 above): CalWORKs, Student Athletes.

3. Continuing students (in good standing) with 30-79.5 degree applicable units.

4. Continuing students (in good standing) with 1 or more degree applicable units, but no more that 29.5 degree applicable units and concurrently enrolled high school students.

5. Continuing students (in good standing) with 80 or more degree applicable units, but no more that 99.5 degree applicable units

6. All other categories.

WHERE TO REGISTER
Students may register online at http://mycom.marin.edu, at the Offices of Enrollment Services at the Kentfield or Indian Valley Campuses regardless of where their classes are held, or by fax at (415) 460-0776. Detailed information is published in each issue of the schedule of credit and noncredit classes.

CLASSES WITH TIME CONFLICTS
Students may not register for courses taught at conflicting times.

ADDING AND DROPPING CLASSES
Students may add classes through the census date online at http://mycom.marin.edu, or by completing and submitting an Enrollment Card in person to the Office of Enrollment Services.

Students who did not pre-register for classes may attend the class of their choice to see if space is available. Instructors may admit students by issuing an Add Authorization Code which will be used to enroll online or in person.

Students may drop/withdraw online or by completing a Drop Card and filing it with the Office of Enrollment Services.

See Important Dates in the Schedule of Classes for drop/withdrawal deadline dates.

Nonattendance does not constitute an automatic drop. If you are unable to attend the first class meeting, you may request that your place be held by contacting the instructor prior to the first class meeting.

Students are responsible for all outstanding fees for classes that were not dropped by the refund deadline, even if they did not attend.

Instructors may drop/withdraw inactive students who never came to class or are no longer participating in a course by assigning an Instructor Withdrawal at midterm. However, since instructors are not required to do this, it is the student’s responsibility to drop/withdraw within the published deadline dates. Please see “Withdrawal” under the Academic Information heading in this section.

WAITLISTS
College of Marin uses an Automated Waitlist Function.

When a class is full, students may place themselves on a waitlist. If a space opens up in the class prior to the first day that the class meets, students are notified by e-mail that is sent to their MyCOM.marin.edu email account.

Automated Waitlist Features:
- Students must meet course prerequisites prior to placement on a waitlist.
- Students have 72 hours from the date/time that the space availability email is sent to enroll.
- Students who do not enroll by the 72-hour deadline will automatically be dropped from the waitlist.

It is important that students log on to the MyCOM Portal on a daily basis prior to the start of the class to check their inbox messages to see if a Waitlist Notification email was sent or forward their MyCOM emails to their personal email.

- Students may not place themselves on a waitlist for more than one section of the same course.
- Students on a waitlist for a course must drop before enrolling in another section of the same course.
- Students on a waitlist for a course must drop before enrolling in another section of the same course.
- Students may not put themselves on a waitlist for a course whose meeting time conflicts with any other course in which they are enrolled.

PETITION TO ADD A CLASS LATE
Students may petition to add classes late one week after the last day to add, provided the student was fully participating in the class by the last day to add.

Please see Important Dates listing in the Catalog and Schedule of Classes.

CANCELLATION OF PROGRAMS/CLASSES
Programs of study and/or individual classes are subject to cancellation based on funding considerations or enrollment levels.

UNIT LOAD
Students may not enroll in more than 18 units for fall or spring or 7 units (two classes) for summer. Students who would like more units must submit a Petition to Carry Extra Units by the deadline. Students on probation, dismissal or not high school graduates may have lower unit restrictions.

EQUAL OPPORTUNITY
The Marin Community College District is committed by policy not to discriminate on the basis of, or the perception of any one or more of the foregoing characteristics: race, religious creed, color, national origin, ancestry, physical disability, mental disability, mental condition, marital status, sex, age, sexual orientation, or veteran status in any of its educational and employment programs and activities, its practices and procedures. Students who believe that this policy has been violated have the right to file an internal complaint or a complaint with the Office of Civil Rights.

College of Marin, under the Equity in Athletics Disclosure Act of 1994, provides information concerning the operation of its intercollegiate athletics program. A completed report is available in the Admissions and Records Office, the Library, and the Athletic Department for Public Review. College of Marin Board Policy 3430
prohibits verbal, physical, visual, and sexual harassment of any applicant, employee, or student by any District employee on the basis of any category or combination of discriminatory categories prohibited by state or federal law. Non employees while on the District property are also expected to follow these guidelines.

It is further the policy of this District to ensure equal opportunity in all of its programs and in all aspects of employment. The lack of English skills will not be a barrier to admission to and participation in vocational education programs.

5. Cal Grants: The State of California provides grants ranging from $137 - $1473 per semester for students who qualify.
6. Cal Grant B provides funds to exceptionally needy students. Cal Grant C provides funds to students in certificate vocational programs. Cal Grant A is designed for students who intend to transfer and will cover a portion of tuition and fees once the student transfers to a four-year college or university.

Community Grants

10,000 Degrees Grants (formerly Marin Education Fund): The Buck Trust established the Marin Education Fund to provide funds for the education of Marin County residents. Grants ranging from $400 - $4,000 are awarded. The 10,000 Degrees application form must be filed by March 1 to be considered for the following fall and spring semesters.

Financial Aid for AB540 Undocumented Immigrant Students

EMPLOYMENT

1. College Work-Study Program: Federally funded part-time jobs are available on campus and off campus for students who have financial need and are awarded a work-study job. Available jobs are posted at the Financial Aid Office. Salaries range according to the requirements of the position.
2. Student Employment: The College Job Placement Office maintains up-to-date listings of jobs within the community. Many jobs are career-related and provide students with excellent work experience. Salaries are determined by the employer.

STUDENT LOANS

1. Emergency Loans: The College of Marin Foundation and the Associated Students of the College of Marin provide Emergency Loan funds. This program provides 30-day loans of up to $100.
2. Federal Stafford Subsidized Loans (formerly Guaranteed Student Loans) provide deferred-payment, low-interest loans for qualified students. Principal and interest are deferred until the student is no longer enrolled at least half time. Students must apply for financial aid and qualify on the basis of financial need. Federal Unsubsidized Stafford Loans provide low-interest loans for students who do not meet financial need criteria for Federal Stafford Loans. Principal is deferred during enrollment as at least a half-time student. Interest begins accruing when loan is borrowed. Students interested in federal student loans must make a loan counseling appointment with the Financial Aid Office.

SCHOLARSHIPS

Each year students with outstanding academic records and financial need are awarded scholarships from College of Marin and from an increasing number of community groups.
A free computerized scholarship search program is available online at www.

The Office of Enrollment Services maintains information about other scholar-
ship opportunities and helps students make proper and timely applications for such
funds. Students should inform their coun-
selors of possible financial need and review bulletin boards for notices of scholarship
announcements.

ACADEMIC
INFORMATION

ATTENDANCE
Regular attendance is necessary for satisfactory progress in college. Failure
to attend regularly may result in a failing grade. Students who are late in attending
the first class meeting may lose their place to another student on the waiting list. For
any absence, the student must make up all work missed. Such work must be completed
to the satisfaction of the instructor. It is the student’s responsibility to check on all
assignments.

Students may be dropped from classes as a result of excessive absences, however, non-
attendance does not constitute an automatic drop. Students are responsible for processing
their own drops/withdrawals.

UNITS OF CREDIT
The conventional measurement of college work is called a unit. It represents one lecture
hour per week for one semester (together with two hours of preparation outside class)
or three hours of laboratory work per week for one semester.

Full-time students are enrolled in at least 12 units in the spring and fall and four units
in the summer.

COURSES USED FOR HIGH, MIDDLE AND
ELEMENTARY SCHOOL CREDIT
College-level course work that students have elected to use for high, middle and ele-
mental school credit will also be counted, when applicable, toward the degree or certificate
requirements and will be given as college credit.

Concurrently enrolled high, middle and elementary school students are restricted
from physical education classes and basic skills classes.

Grades Required for Major
Effective Fall 2012, courses applied toward a student’s major area of emphasis must be
completed with a final grade of C or better, or a Pass (P) if the course is taken on a Pass/
No Pass basis. This requirement applies to all students applying for graduation regardless
of their catalog rights.

Grade Point Average (GPA)
Divide the total grade points earned by the number of units attempted. In calculating
GPA, do not include I, IP, W, P, NP, or non-progress Grades (NPG) of I, NC, or W.

Consecutive Semesters
Semesters shall be considered consecutive based on a student’s enrollment pattern.

Probation
A warning that a student’s grades do not meet acceptable standards.

Dismissal
A student is not allowed to continue at the college unless the student receives special permission from the Dean of Enrollment Services or the College Petitions Committee.

Midterm Grade
Midterm grades are available for students online at http://mycom.marin.edu (check calendar).

Final Grade
Enrollment, evaluation, and credit for courses shall be entered on a student’s official academic record in accordance with college policy and state law. Final grades are only available to students online at http://
mycom.marin.edu (check calendar).

Pass (P)/No Pass (NP)
Students who elect the Pass/No Pass grading option in those courses which permit a student to be evaluated either on a Pass/No Pass or Letter Grade basis, must select that option on or before 30 percent of the length of the term for full-term and short term courses. Check the Calendar of Important Dates. Students may select the Pass/No Pass grading option online at http://mycom.
marin.edu up to the first day of instruction for the term. After the first day of instruction for the term students must submit a Pass/No Pass Grading Option form to the Office of Enrollment Services. A student may change his/her selection within this 30 percent time period. Once this time period has expired a student may not change his/her selection. To receive a pass grade, course work must be C level or above. Some colleges and universities will not grant transfer credit for courses with Pass/No Pass grades.

Note: The Pass/No Pass grading option is the sole responsibility of the student.

Check the Calendar of Important Dates for the deadline for full-term classes and the Schedule of Classes for the deadline dates for short-term classes.
Incomplete Grades
An Incomplete grade may be assigned to a student who cannot complete a small portion of the required academic work because of a justifiable emergency or unforeseeable reason at the end of the semester. The decision to give an Incomplete rests solely with the instructor. A student who receives an Incomplete grade must make arrangements with the instructor and must make up the work by the last day of final examinations in the following semester. In extenuating circumstances, and with the instructor's approval, the student may petition for an extension of not more than one additional semester.

The instructor for the class shall submit a form to the Office of Enrollment Services, with a copy to be mailed to the student, stating the conditions for completing the work and the final grade to be assigned if the work is not completed. The instructor shall submit a change of grade form when the work is completed. If the I is not removed by the end of the subsequent semester, and no extension has been granted, it shall be changed to the grade originally assigned by the instructor.

In Progress Grades
The IP symbol is used when a class is open-entry or extends beyond the normal end of an academic term. IP indicates that work is “in progress.” The IP symbol shall remain on the student’s permanent record. The following semester, the appropriate grade and unit credit shall be assigned by the instructor when the course is completed. An IP shall be recorded only once for any given class. It shall not be used in calculating grade point average or determining progress probation/dismissal.

Withdrawal
Students may withdraw from classes through the day that marks the completion of 75 percent of the course. Students who do not withdraw by this date will be assigned a grade, other than W, by the instructor. It is the student's responsibility to withdraw officially from a class. Students should not assume that they will be automatically withdrawn by an instructor.

Students who withdraw before completion of 30 percent of the course shall have no notation made on their permanent records.

Students who withdraw between 30 percent of the course and 75 percent of the course shall have a W recorded on their permanent records.

In extenuating circumstances such as illness, accident, or other events outside of the student’s control, the student may petition the Dean of Enrollment Services for a W grade after completion of 75 percent of the course. After consultation with the appropriate faculty member, the Dean may authorize withdrawal with a W grade. Should the Dean deny the petition, the determination of the student's grade by the instructor shall be final. Once a faculty member has submitted a grade, a W cannot be assigned. Section 55760 of Title 5 of the California Code of Regulations states that an instructor's grade is final in the absence of mistake, bad faith or incompetency.

Successfully Completed
Successful completion of a course is defined as receiving a grade of Pass (P), Credit (CR), C or better.

NON-REPEATABLE COURSES (WITHDRAWAL “W” SYMBOL)
Students who have received the “W” symbol after withdrawing from a course may re-enroll in the course without petition. After receiving two “W” symbols in a given course, a student may petition to the College Petitions Committee to repeat the course for a third enrollment providing there is verifiable documentation that extenuating circumstances occurred. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student. The student is required to meet with a counselor to complete the petition and all supporting documents must be attached to the petition at the time of submission.

With an approved petition, the student must wait one week after the start of new and returning student registration to register for the course.

Annotating the permanent academic record shall be done in a manner that all work remains legible, insuring a true and complete academic history.

NON-REPEATABLE COURSES (ABSENT SUBSTANDARD WORK)
Students may be permitted or required to repeat courses in which a “C” or higher grade was earned where there was a significant lapse of time since the grade was earned under the following circumstances:
1. Three or more years have elapsed since successfully completing the course.
2. An institution of higher education to which a student seeks to transfer has established a recency requirement that
the student cannot satisfy without repeating the course.

3. A recency prerequisite for a course or program has been established which the student cannot satisfy without repeating the course.

When a student needs to repeat an activity course due to a significant lapse of time, each repetition attempt will be counted toward the established repetition limits. However, if a student has already exhausted the number of permitted repetitions, then one additional repetition due to significant lapse of time may be permitted or required by the District. 
Under these provisions:
- Students must wait one week after the start of new and returning student registration to register for the course.
- Students requesting to repeat for number 1 above, are only allowed one repeat for each course.
- Students petitioning to repeat for number 2 or 3 above, must submit verifiable documentation with the petition.
- When a course is repeated due to a significant lapse of time, the previous grade and units will be disregarded and the current grade will be used when computing a student’s cumulative grade point average (GPA).
- Students receiving a substandard grade (grades below “C,” “FW,” “NC,” and "NP") in the repeated course may not petition to alleviate the substandard grade under Course Repetition.
Annotating the permanent academic record shall be done in a manner that all work remains legible, insuring a true and complete academic history.

**REPEATABLE COURSES**

Under the following special circumstances, students may repeat courses in which a grade of “C” or higher or “CR” or “P” was earned.
- Courses for which repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor’s degree. The Board of Trustees must retain supporting documentation that verifies that the repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor’s degree.
- Intercollegiate athletics, as defined in Title 5 Section 55000; and
- Intercollegiate academic or career/technical competition, as defined in Title 5 Section 55000, where enrollment in the course and courses that are related in content, as defined in Title 5 Section 55000, is limited to no more than four times for semester courses. This enrollment limitation applies even if the student receives a substandard grade or “W” during one or more of the enrollments in such a course or petitions for repetition due to special circumstances as provided in Title 5 Section 55045.

**Legally Mandated Courses**

Students are allowed to repeat a course without petition when repetition is necessary to enable that student to meet a legally mandated training requirement as a condition of volunteer or paid employment. Students can repeat such courses any number of times, even if they receive a grade of “C” or higher or “CR” or “P”; however, the grade received by the student each time will be included in the calculations of the student’s grade point average or NPG percentage. Prior to enrollment, the student must submit a Petition to Repeat a Legally Mandated Course along with verifiable documentation to Admissions and Records.

**Courses for Students with Disabilities**

Students with disabilities may repeat a special class for students with disabilities any number of times when an individualized determination verifies that such repetition is required as a disability-related accommodation.

**Cooperative Work Experience Courses**

Students are allowed to repeat a cooperative work experience course if a college only offers one course in cooperative work experience. Where only one work experience course is offered, students may be permitted to repeat this course any number of times as long as they do not exceed the limits on the number of units of cooperative work experience set forth in Title 5 Section 55253(a).
Each time a repeatable course is repeated, the grades and units earned will be computed in the student’s cumulative grade point average (GPA).
Annotating the permanent academic record shall be done in a manner that all work remains legible, insuring a true and complete academic history.

**COURSE AUDIT**

In conformity with California Education Code 76370, and College of Marin Board Policy, in order to attend classes on a continuous or regular basis, individuals must either enroll as a regular student or register as an auditor. The procedures and conditions for auditing a class are as follows:

1. Courses in which auditing is allowed will be posted each semester in the Offices of Enrollment Services and the online Schedule of Classes. The list of auditable courses is maintained by the Office of Instructional Management.

2. Appropriate unit fees, based on Education Code (plus any additional course costs) must be paid.

3. Students currently enrolled in 10 or more units may audit up to 3 units free of charge.

4. Auditor status will be allowed only if a student has exhausted repeat possibilities as a regular student in selected classes.

5. Auditors must be eligible for admission to college as regularly enrolled students.

6. Auditors must meet the course prerequisite.

7. Auditors will be allowed to register only after the first census date for the course in order to give priority to students registering for credit. Auditors will not be permitted to attend the course until enrollment is secured after first census. Auditors must submit an Audit Card signed by the instructor to the Offices of Enrollment Services to secure enrollment.

8. Auditors may NOT change their status to regular student in the class (or reverse).

9. Once the auditor fee is paid, it will not be refunded.

10. Students registered as auditors only will not be entitled to the regular student health services (other than emergencies).

11. No grades can be earned or transcripts maintained.

12. The instructor and student auditor will agree upon the auditor’s level of participation in the class.

**BASIC SKILLS CLASSES**

Students may enroll in a maximum of 30 units of Basic Skills classes (pre-collegiate English and Mathematics) – courses numbered 100 or lower. Students with
documented functional limitations associated with learning related disabilities, which have shown significant measurable progress toward appropriate skill development in Basic Skills classes, may receive special approval for additional enrollments but will be limited to a specific period of time or number of units. Students are encouraged to contact the Disabled Students Program for more information.

Note: There is no 30-unit limit for ESL courses.

GRADE CHANGES
The instructor of a course shall determine the grade to be awarded to each student. The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith or incompetency. "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade and clerical errors. "Fraud" may include but is not limited to, intentional inaccurate recording of a change of a grade by any person who gains access to grade records without authorization. Instructors may choose to change a student's grade by submitting a Change of Grade form to the Office of Enrollment Services stating the reason for the change. No grade change will be made more than two years after the final grade was issued.

Please consult with the Dean of Enrollment Services for specific administrative procedures relating to final grade disputes.

ACADEMIC RENEWAL
Academic Renewal provides students with an opportunity to reverse the negative impact of past academic failures at College of Marin without course repetition:

- Academic renewal may only be requested once at College of Marin.
- Academic renewal is not automatic.
- Academic renewal actions are irreversible.

All course work granted academic renewal status shall not be computed in the student's grade point average or non-progress grade percentage and this shall be noted on the student's permanent record. All course work shall remain legible to assure a true and complete academic history.

The Office of Enrollment Services shall maintain a record of action taken under academic renewal. Academic Renewal does not guarantee that other institutions outside the District will approve such action. The determination will be made by the respective transfer institution. Specific courses and/or categories of courses that are exempt from academic renewal will be described in the current College Catalog. Academic Renewal procedures may not conflict with the District's obligation to retain and destroy records or with the instructor's ability to determine a student's final grade.

Students who have been awarded an Associate Degree may not apply for Academic Renewal. Note: coursework completed after the Associate Degree is awarded may be considered for Academic Renewal.

Students who have been awarded a Career or Skills Certificate may apply for Academic Renewal providing the courses requested for academic renewal were not applied towards the Career or Skills Certificates.

Students may file a petition with the Office of Enrollment Services to have their academic record reviewed for academic renewal of substandard academic performance under the following conditions:

1. Students must have completed 24 units at a satisfactory level (minimum 2.00 grade point average [GPA] or achieved a 3.00 grade point average [GPA] in 12 letter-graded units subsequent to the coursework to be alleviated. Work from other colleges with recognized accreditation may be considered.
2. A maximum of 24 units of substandard course work may be eliminated from consideration in the cumulative grade point average. Substandard grades are any grades lower than a "C," "CR" (Credit) or "P" (Pass).
3. At least one year must have elapsed from the time the substandard course work to be removed was completed.
4. Students' most recent semesters utilized to demonstrate that the substandard work is not a reflection of the student's ability must not include grades below "C", "I", "IP", "FW", "NC," or "NP" grades. (Seminars with excluded grades below "C", "FW", "NC," and "NP" grades do not count towards Academic Renewal.)
5. Courses used to demonstrate improved academic ability cannot be all physical activity courses.

EXAMINATIONS
Final examinations are held at fixed times. Instructors are not to give examinations in advance of the regular schedule. Any student who is absent from any examination held at any time during a semester thereby forfeits any right to make up the work by re-examination. If a student is unable to be present at an examination at the scheduled time due to illness or some other unavoidable reason, then the student may be permitted to take the examination at a later date by arrangement with the instructor. The examination must be made up by the last day of final examinations the following semester.

HONOR LIST
Students will be placed on a semester honor list when their semester GPA is 3.0 or higher. These students may not be on probation or have any I, NC, NP, F or FW grades, and must be enrolled in 12 units of letter-graded classes at the college.

INDEPENDENT STUDY
Independent Study courses are designed for independent, motivated students to pursue intellectual inquiry outside of regularly scheduled course offerings. These are to be supervised by instructors, generally involving substantial, student-instructor interaction. Each course shall be initiated on an individual basis via an agreement between the student and an instructor.

These courses are not designed to substitute for other courses offered by the academic departments.

Enrollment shall be through courses numbered 249A (1 semester unit), 249B (2 semester units), and 249C (3 semester units). One unit of credit requires a minimum of 48 hours of lecture, study or laboratory work.

Academic Standards
Academic standards applicable to courses of independent study shall be the same as those applied to other credit courses as appropriate at the District.

Procedures for Evaluation
Procedures for evaluation of student progress shall be in accordance with regulations established by the District. A grade report by an instructor on appropriate records bearing the student’s name for purposes of state apportionment shall certify the adequate and proper progress toward accomplishment of the course objectives is being maintained by the student.

Availability of Instructor
Independent study students shall have access to the instructor equivalent to access given to students enrolled in course conducted by other instructional methods, including office hours.
Instructors are responsible for assisting the student in developing the proposal, granting instructor approval of the proposal, assisting the student in the independent study as necessary, evaluating the results of the study, and submitting the final grade to the Office of Enrollment Services.

Independent study courses may be repeated more than once for credit provided the same topic is not repeated. An independent study course cannot be used to satisfy core requirements unless specified by the department to a maximum of three (3) units.

**Procedures for Approval of Independent Study:**
- Students must have completed 12 degree applicable credit units at College of Marin.
- Students must be in good academic and progress standing, and have earned a cumulative GPA of 2.0 at College of Marin.
- The Independent Study Contract must be completed by the student, approved by the instructor, and signed by the department chairperson.
- The Independent Study Contract must be submitted to the Admissions and Records Office by the add deadline last day to add full-term classes.

Students are limited to one independent study course per semester, six (6) units of independent study per discipline, to a maximum of twelve (12) units overall unless specified by a department to obtain a local certificate.

**STUDENT PETITIONS**

Appeals and grievances in the following areas should be submitted through the Petition Request channel of the MyCOM Student portal: Academic/Progress Dismissal, Admission, Attendance, Graduation, Fee Payment, Refund, Residence Determination, and Student Records. All petitions are reviewed by the Dean of Enrollment Services.

**PROBATION**

**Placement on Probation**

**Progress Probation**

After enrolling in at least 12 semester units at College of Marin, if the percentage of a student’s recorded entries of W, I, NC, and NP reaches or exceeds 50 percent of all units in which a student has enrolled in at College of Marin, he/she shall be placed on progress probation at the end of the semester or session.

At the end of the third semester in which the student is on progress probation, a notice that the student is subject to dismissal will be sent to the student.

**Academic Probation**

After attempting at least 12 semester units at College of Marin, a student shall be placed on academic probation at the end of the semester or session in which the student’s cumulative grade point average (GPA) falls below 2.0 in all units enrolled in at College of Marin.

**Removal from Probation**

**Progress Probation**

A student will be removed from progress probation when the student’s cumulative Non-progress Grade (NPG) drops below 50 percent.

**Academic Probation**

A student will be removed from academic probation when the student’s cumulative GPA reaches 2.0 or higher.

A student who is on academic probation and earns a semester grade point of 1.75 or better shall not be dismissed as long as this minimum semester grade point average is maintained.

**Notification of Probation**

Students will be notified of their probationary status prior to the start of the next semester or session.

The notice will consist of, at the minimum, the following: the significance of being on probation, enrollment limits, appeal procedures, and a description of the support services and classes available to prevent dismissal.

**Enrollment Limits**

Students on probation may not register in more than 13 units total for that entire fall or spring semester. For the summer session, students may enroll in one class regardless of the unit value or multiple classes not to exceed 4 units.

For students who have exceeded the unit limit and have not met the conditions to appeal, as described in the Appeal Procedure below, the student must drop the necessary class(es) to comply with the notification. If the student does not drop by the beginning of the semester or session, the College will reduce the course load to meet the maximum units allowed by random selection.

**Appeal Procedures**

A student placed on probation may file a petition with the Office of Admissions and Records only if the student:

1. Believes an error has been made.
2. Provides evidence of graduation or transferring at the end of that semester.
3. Provides evidence that additional units are needed to meet a legally mandated training requirement.

Enrollment limits may not be appealed beyond the College petitions Committee.

**Dismissal**

**Standards for Academic Dismissal**

A student who is on academic probation shall be subject to academic dismissal if the student has less than a cumulative grade point average of less than 1.75 in all units attempted in three consecutive semesters (not including summer).

**Standards for Progress Dismissal**

A student who is on progress probation shall be subject to progress dismissal if the percentage of units in which the student has been enrolled for which entries of W, I, NC or NP are recorded in three consecutive semesters reaches or exceeds 50 percent.

**Dismissal Letter**

The letter notifying a student he/she is subject to academic and/or progress dismissal will cover, at a minimum, reference to this procedure, explanation of what academic and progress dismissal means, procedure for reinstatement, and procedure to appeal the academic and progress dismissal notice.

**Procedures for Filing the Petition to Return After Dismissal**

A student must file a Petition to Return After Dismissal with the Office of Enrollment Services within two weeks of the start of the fall
and spring semester and within one week of
the start of a summer session. As a condi-
tion to return, the student must meet with a
counselor to complete a Student Educational
Plan and all supporting documents must
accompany the Petition to Return After
Dismissal.

Standards for Evaluating the Petition to
Return After Dismissal
In considering whether or not students may
return after dismissal, the following criteria
should be considered.
• Documented extenuating circumstances.
• Marked improvement following the
semesters on which dismissal was based.
• Semesters on which dismissal action was
based were atypical of past academic
performance.
• Formal or informal educational experi-
ence since completion of semesters on
which dismissal was based.
• Improved GPA as a result of grade
changes, fulfillment of incomplete
courses, or academic renewal.
• GPA calculation error.
• Evidence that the posting of final grades
was in error which contributed tot he
academic and/or progress dismissal
action.

Within ten (10) working days from the date
the petition was submitted to Enrollment
Services for review, the student will be
notified in writing of the decision.
• If the Petition to Return After Dismissal
is denied, the student will receive notifi-
cation of the decision and procedures to
appeal the decision.

Appeal of Dismissal
The student has the right to appeal an
academic and/or progress dismissal action,
if the student can provide evidence that war-
rants a review of the dismissal action. The
student may appeal this decision by making
an appointment with the College Petitions
Committee within five (5) working days of
the postmark date of the notice of the denied
petition.
• If the student fails to make the appoint-
ment within the specified time, the
student waives all future rights to appeal
the dismissal action for that term.
• If the student makes an appointment, the
student will continue on academic and/
or progress dismissal until the student
meets with the College Petitions Com-
mittee. A decision to either uphold the
original dismissal decision or approve the
appeal will be made at the conclusion of
the meeting. The decision of the College
Petitions Committee is final.

Standards for Evaluating Appeals
Dismissal appeals may be granted under the
following circumstances:
• If the dismissal determination is based
on the academic record for one semester
in which the record does not reflect the
student’s usual level of performance due
to accident, illness, or other circum-
stances beyond the control of the student.
Verification must be submitted with the
appeal.
• The student enrolls in a corrective
program designed to assist him/her
in improving academic skills, such as
obtaining academic counseling, and/or
limiting course load.
• Where there is evidence of significant
improvement in academic achievement.

Please see a counselor about using AP exam scores and credits towards meeting graduation and/or transfer requirements. Chart Notes: 1) May be used to satisfy Area B (Social/Behavioral Sciences) or Area F (American Institutions), but not both. 2) May be used to satisfy both Area B (Social/Behavioral Sciences) and Area F (American Institutions). UPDATED: ASC/Counseling Department 7/24/12

After successfully completing 12 units at College of Marin, a student may file a student petition for 6 units of credit with a minimum score of 500 in each of the CLEP examinations in the areas of Social Science, History and Natural Science. The maximum number of CLEP units that can be awarded is 12. Units credited appear in the memorandum section of the transcripts and are counted towards the 60 units graduation requirement. Transfer credits vary. See a counselor for additional information.

The English Department does not award CLEP units in English or Humanities to students; however, students will be eligible for English 150 if they score as follows:
1. 540 or more on the CLEP General Examination in English Composition, essay version.
2. 55 or more on the CLEP Subject Examination in Freshman College Composition, essay version.

Except as outlined above, units attained from CLEP examinations may be used for Social Science and Natural Science general education and elective credit only and not for Major course requirements.

TRANSCRIPTS

Official Transcripts
Official transcripts can be ordered online through the MyCOM portal or at www.marin.edu. Students may request two free regular service transcripts (3 business days). After the first two, the fee is $6 per regular service copy. Rush service (next business day) is available for $15 per copy.

Unofficial Transcripts
Students with active MyCOM portal accounts may print their own unofficial transcripts or submit a request for Unofficial Transcript form to the Office of Enrollment Services.

Transcripts From Other Colleges
In order to apply units completed at another institution toward a College of Marin degree, official transcripts must arrive in the original sealed envelope from the issuing institution and have an embossed or water seal. Official transcripts should be sent via U.S. Mail or hand carried to: Counseling Department, College of Marin, 835 College Ave, Kentfield, CA 94904. Transcripts from other colleges received by the College of Marin will not be copied or released to the student.

Students may only transfer degree applicable units from fully accredited colleges or universities as listed in the AACRAO Transfer Credit Practices of Selected Educational Institutions. Upper division units may not be used toward an Associate degree. Students may, however, petition for a waiver of requirements with relevant upper division work. The student must still have 60 lower division units.

Foreign College Transcripts
Transcripts from foreign colleges and universities will be accepted only when evaluated by UC, CSU, or an evaluating service recognized by College of Marin.

The service recommended by the college is International Education Research Foundation, Inc., P.O. Box 66940, Los Angeles, CA 90066, telephone (310) 390-6276. Credit will be granted when the academic level of the course work is deemed to be comparable to that of classes taught in fully accredited U.S. colleges and universities.

Forged/Altered College of Marin Transcripts
“Furnishing false information, forgery, falsification, alteration or misuse of college documents, records, or identification” is a violation of college policy. When it comes to the attention of college personnel that a forged or altered College of Marin transcript has been submitted to a third party, a hold will be immediately placed on that academic record, if an actual record exists. An attempt will be made to contact, by phone or mail, the individual whose name appears on the forged or altered transcript requiring that individual to meet with the Dean of Enrollment Services/designee within 10 days. If the Dean of Enrollment Services/designee determines, after investigation, that the individual whose name appears on the forged or altered transcript is responsible for preparing/submitting same, the individual will be barred from attending any future credit classes at College of Marin. An appeal of the decision to permanently bar the student from attending any future credit classes may be made in writing to the Academic Standards Committee within ten days of the decision of the Dean of Enrollment Services/designee. In the event there is no approval of the appeal and the Academic Standards Committee upholds the determination of the Dean of Enrollment Services/designee, the Academic Standards Committee will then recommend a permanent bar from attending credit classes at the College of Marin to the Board of Trustees. The individual will be notified at the last known address, if available, of the decision to bar attendance.

Further, an annotation will be placed on the student’s actual academic record, if any, stating, “Not to be Released to Student.” In addition, when the individual has actually taken classes at College of Marin, future release of a transcript will be at the sole discretion of the Dean of Enrollment Services/designee. No transcripts will be released directly to the student.

The college reserves the right to take all appropriate legal action.

Forged Signatures
Students who are determined to have filed an official form with a forged faculty member’s signature will be subject to disciplinary action including but not limited to at least one full regular semester of nonattendance. The college reserves the right to also take appropriate legal action.
**Types of Records and Locations**

The Office of Enrollment Services will maintain documents completed by the student, such as applications, petitions, and Advanced Placement and CLEP scores, for the period of time required by law. These records, as well as a permanent record of all academic work completed at the college, are maintained by the Dean of Enrollment Services. Students may request two free transcripts of their College of Marin permanent academic record. See Official Transcripts heading on this page for details.

Copies of transcripts from other colleges are kept in the Counseling Office. Copies must be requested from the issuing institution and cannot be released from College of Marin.

**Student Rights Related to Academic Records**

Students shall be afforded all rights and are subject to all requirements set forth in SB 182 (Chapter 816, Statutes of 1975 as amended September 28, 1976 by SB 1493), a copy of which may be obtained in the Office of Admissions and Records. If a violation occurs, students have the right to file a complaint with the Family Compliance Office, United States Department of Education, 600 Independence Avenue S.W., Washington D.C. 20202-4605 regarding an alleged failure by the institution to comply with the provisions of Section 438 of the General Education Provisions Act (20 U.S.C.A. 1232G).

**Review, Inspection, and Challenge of Records**

Any currently enrolled or former student has the right of access to all of the student’s College of Marin academic records. Students wishing to inspect their records may obtain forms from staff in the Office of Enrollment Services; access shall be granted no later than 45 days following receipt of the written request to the Dean of Enrollment Services at College of Marin, 835 College Ave., Kentfield, CA 94904. The Dean of Enrollment Services will make arrangements for access and notify the student of the time and place where records may be inspected. Qualified personnel will assist the students in interpreting their records, if necessary. If the records are not maintained by the Dean of Enrollment Services, the student will be advised of the correct office to which the student’s request should be addressed.

The Dean of Enrollment Services will provide forms for any student who wishes to challenge the content of the student’s records, excluding grades, if the student believes the information to be (1) inaccurate, (2) misleading, (3) an unverifiable personal conclusion or inference outside of the observer’s area of competence, or (4) not based on the personal observation of a named person with the time and place of the observation noted. The student should clearly identify the part of the record the student wants changed and specify why it is inaccurate or misleading. If the student is not satisfied with the results of the challenge procedure, a written request for a formal hearing may be filed with the College Superintendent/President, or designee. Within 30 days of receipt of such a request, the College Superintendent/President, or designee, shall meet with the student and employee who recorded the information in question, if any, and if such employee is presently employed by the college. The Superintendent/President, or designee, shall then sustain or deny the allegations in writing. If the President, or designee, denies any or all of the allegations and refuses to order the correction or removal of the information, the student will be notified that the student may, within 30 days of the refusal, appeal the decision in writing to the College of Marin Board of Trustees. Within 30 days of receipt of such an appeal, the College of Marin Board of Trustees shall, in closed session with the student and the employee (if presently employed by the college), determine whether to sustain or deny the allegations. If the Board of Trustees sustains the allegations, it shall order the President, or designee, to immediately correct or remove and destroy the information. Additional information regarding the hearing procedure will be provided to the student when notified of the right for hearing.
