Modern Languages Critical Thinking Rubric:

1. Grammatical Usage (Distinguishing when to use specific grammatical forms)
2. Reading comprehension
3. Listening comprehension
4. Dictation (spelling)
5. Answering Questions orally
6. Translation of sentences or paragraphs

As these are not assessed “holistically” as the other two are, faculty will be assigning 1-4 in the rubrics based on scores (0-25%, 26-50%, 51-75% and 76-100%).
