CONSTRUCTION NOTIFICATION - IVC

Date:  July 13, 2010
To:  College of Marin
From:  Michael Stroud, Project Engineer
Re:  Road Closure between Parking Lots 1 and 2

Beginning this week, the road between Parking Lots 1 and 2 will be closed due to construction activity on the Main Building Project. This will require that those wishing to access the Perimeter road will need to do so from the west end of the Indian Valley Campus.

This closure is expected to be in place until the middle of September 2010.

Thank you for your patience and understanding.
