You are hereby notified of the following clarifications or modifications to the original Academic Center Prequalification package.

1. Revise Section IV. of the Prequalification Questionnaire, “Project Experience and References”, as follows:

IV. PROJECT EXPERIENCE AND REFERENCES

A. ATTACHMENT "A"; Completed New Construction Projects

List all completed new construction projects in which the contractor has been the general contractor during the past five (5) seven (7) years on the Completed New Construction Projects form attached as ATTACHMENT “A” and sign the form. For each project, list project size as ‘bid day’ contract amount.

Please include all projects performed under all firm names identified in Section II.A., Section II.B. and Section II.C. Please use and attach additional signed sheets when needed to explain or clarify any response or to include more responses with all requested information.

You may limit your response to the thirty (30) most recently completed new construction projects if you have completed more than thirty (30) new construction projects in the past five (5) Seven (7) years. Even if they are not within your firm’s thirty (30) most recently completed new construction projects, at least three (3) of the projects listed in ATTACHMENT "A" must be similarly complex new construction projects for a community college/university/high school, performed in California, with a minimum initial project size of $24,000,000, $20,000,000, or contractor cannot prequalify for District work for this Project.

2. Prequalification Due Date

The due date for the Prequalification Package will be extended to Thursday, May 23, 2013, 2:00PM at the College’s Program and Construction offices, Attn: Bernard Rottner, 835 College Avenue, Building MS-3, Kentfield, CA 94904. Questions should be directed to Bernard Rottner via email: Bernard.Rottner@marin.edu or via telephone: 415.884.3147.

3. Project Stabilization Agreement

In order to provide equal opportunity for union and non-union contractors to participate in the New Academic Center construction project and the successful completion of the Measure C Bond Program, the District approved adding the New Academic Center construction project to the list of projects subject to the existing PSA. For reference, the PSA is on the College of Marin web site: http://www.marin.edu/WORD-PPT/MCCDPSAFINALexecuteddtd20080610.pdf.
