DO YOU KNOW...
in which area COM exceeded the state average according to COM’s Student Success Scorecard Report 2013?

Answer:
COM had a higher completion rate (which includes transfers, degrees earned, and certificates awarded) for its prepared students than the state average.

For more information on this topic, see Report to Board of Trustees (April 2013) posted under “Student Success Scorecard 2013 (Accountability Reporting for Community Colleges (ARCC))” on the Research page of the Planning, Research, and Institutional Effectiveness Office website.
