Hello IVC faculty and staff!

We are excited that the first ever Road to Success at IVC will be taking place next Wednesday, September 7th from 2:30-7:30pm!

For those of you unfamiliar with the event, the purpose is to get students to “Walk the Road” to discover services and learning resources that will help them succeed. As the campus continues to evolve and services are expanded, this event is a great way to bring awareness to students of the new services available at IVC. The event is also a great opportunity for faculty to showcase programs and specific courses.

In addition to learning more about the campus, students will also have a chance to enter to win a grand prize of $250 at each stop. Grand prize will be drawn from students from both campuses. However, 2nd ($100), 3rd ($50), and smaller prizes will be awarded to students on each campus.

There will be three stops along the road at IVC:

**Stop 1** will be in building 27 (library, library services, internet café, MMST labs, counseling, ASCOM, A&R)

**Stop 2** will be in building 8 (career programs)

**Stop 3** will be in building 17 (math lab, English lab, Computer lab, EOPS, DSPS, Book Depot, Tutoring, Transfer Central, Assessment and Testing)

There are posters advertising the event available in the mailroom. Please feel free to distribute and post them in classrooms, etc.

There will be “Road Cards” for students that show where the stops are on the campus. They are being printed as we speak and we will send some up to put in the mailroom as soon as they are ready.

Please encourage your students to participate in this event. Several faculty on the Kentfield campus actually give students an assignment to walk the road. If you are interested in getting a sample assignment, please contact me directly.

For those of you who have volunteered to be at a stop along the road, I will deliver your box of goodies on Wednesday morning. Please contact me individually so we can arrange to meet.

If you have any questions, please don’t hesitate to contact us. Attached, please find a flyer with further details.

Thanks and see you on the Road!
