ITEMS FOR TASK FORCE/COLLEGE COUNCIL REVIEW and RECOMMENDATION
The BP/APs listed below are posted on the Board Policy Revision Project Web Page for your review. All have been reviewed by the administrator in charge of the area and signed off as ready to move forward. Most are revisions or new language is legally required. I’ve added some notes to each to give you context.

Please let me know if you have any comments or concerns by noon Monday, August 6 as I have to send the titles forward for the August Board Agenda. If I don’t hear from you, I’ll begin the process to move them forward to the Board. If there are concerns, we can review them at the first Task Force and College Council meetings in the fall, but as I mentioned, most of the language is legally required.
