The students and employees of the District and members of the public shall be permitted to exercise their rights of free expression subject to the time, place and manner policies and procedures contained in BP 3900 titled Speech: Time, Place, and Manner and these procedures.

The campuses of the District are non-public forums, except for the following areas, which are reserved for expressive activities that do not violate Board policy and are lawful. The designated areas at the Kentfield Campus include: South of Olney Hall near the student drop off area on College Avenue; North entrance to the Student Center; East side of the Student Center; and no closer than 30 feet to any academic or student service buildings. The designated area at the Indian Valley Campus is the Campus Green and no closer than 30 feet to any academic or student service buildings. These areas are chosen so as to provide visibility and allow communication to a large number of students, administrators, faculty, and others walking or traveling on campus but also so as not to disrupt the orderly operation of the District including educational and other activities on behalf of students:

- The areas are designated public forums. The District reserves the right to revoke that designation and apply a non-public forum designation.
- The District reserves the right to designate areas as non-public forums as necessary to prevent the substantial disruption of the orderly operation of the college. Areas of the District that are non-public forums specifically include campus offices, classrooms, warehouses, maintenance yards, or locker rooms, and any other area not specified above.

The use of these areas reserved and open for expressive activities is subject to the following:

- Persons using and/or distributing material shall not impede the progress of passersby, nor shall they force passersby to take material.
- No person using the areas shall touch, strike, or impede the progress of passersby, except for incidental or accidental contact, or contact initiated by a passerby.
- Persons using areas shall not use any means of amplification that creates a noise or diversion that disturbs or tends to disturb the orderly conduct of the campus or classes.
- No persons using the areas generally available to students and the community shall solicit donations of money, through direct requests for funds, sales of tickets or otherwise, except where he/she is using the areas generally available to students and the community on behalf of and collecting funds for an organization that is registered with the Secretary of State as a nonprofit corporation or is an approved Associated Students Organization or club.

Non-student, community groups wishing to engage in speech or expressive activities on campus, in the areas designated as public forums, must provide notification to the District through the Office of
Student Affairs not less than three business days in advance of the activities and must describe the nature of the planned activities and the approximate number of participants. No illegal activities will be permitted, no activities which violate District or campus rules, including rules and laws on illegal harassment and discrimination, and none that will substantially interfere with or disrupt activities already scheduled for that day and time in the designated areas.

All persons using the areas that are designated public forums shall be allowed to distribute petitions, circulars, leaflets, newspapers, and other printed matter. Such distribution shall take place only within those areas. Material distributed in the areas that is discarded or dropped in or around the areas other than in an appropriate receptacle must be retrieved and removed or properly discarded by those persons distributing the material prior to their departure from the areas that day.
