- Has earned completed one hundred (100) or more degree-applicable semester or quarter equivalent units at the district.

The district shall notify the student that a second consecutive term on academic or progress probation will result in the loss of priority registration as long as the student remains on probation. Beginning in spring 2013, the District shall notify students or who have earned completed 75 percent or more of the unit limit, that enrollment priority will be lost when the student reaches the unit limit.

**Appeal of Loss of Enrollment Priority**

Students may appeal the loss of enrollment priority when the loss is due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student, or when a student with a disability applied for, but did not receive a reasonable accommodation in a timely manner. The [Chief Student Services Officer] or his/her designee will determine the appeal in his/her sole discretion.

These enrollment priorities will be effective Fall, 2014. The District will ensure that these procedures are reflected in course catalogs and that all students have appropriate and timely notice of the requirements of this procedure.

Registration dates and times are posted on the MyCom/student portal.
