Title 5 Sections 55024 and 58004

Adding Courses
1. Students may add classes through the census date on-line through the MyCOM Portal or in-person at the Office of Admissions and Records as described in the most current Schedule of Classes and the website.

2. Noncredit classes are open-entry/open-exit classes so students may add or withdraw at any point in the term using the process described in the class schedule and the website.

Late Enrollment Procedures
After the student was in attendance by census and there were extenuating circumstances that prevented the student from registering on the last day to add, students may petition to add classes by submitting a Petition to Add a Class Late provided there is verifiable documentation that extenuating circumstances occurred. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student that prevented enrollment by the established deadline dates. All supporting documents must be attached to the petition at the time of submission to the Office of Admissions and Records.

1. Full-Term Classes
   a) Students may petition to add classes late one week after the registration period concludes provided the student was fully participating in the class by census date.

2. Short-Term Classes
   a) Students may petition to add classes late one week after the registration period concludes provided the course is still in session and the student was fully participating in the class by census date.

3. Students will be informed of the decision by the Office of Admissions and Records within ten days of submitting the petition. If the petition was approved, the student must notify the instructor that they are officially enrolled in the class. If the petition was denied, the student is requested to inform the instructor that the petition for late enrollment was denied. Students should continue to attend until they hear the results of their petitions.

4. Deadline dates for submitting the Petition to Add a Class Late are published in the most current Catalog, Schedule of Classes and on the website. Petitions to add a class late will not be accepted after these dates.
Withdrawals
Withdrawals are authorized through the last day of the fourteenth week of instruction or 75% of the term, whichever is less. Students may withdraw from class using the online process described in the current class schedule or they may submit a Drop Form to the Office of Admissions and Records. It is the student’s responsibility to withdraw from class by the official deadline dates published in the most recent Catalog, Schedule of Classes, and the website. Students who withdraw or drop classes during the first four weeks or 30% of the term, whichever is less, will receive no notation on their academic record. Students who withdraw after 30% of the term and before 75% of the term, whichever is less will receive a “W.”

A student who remains in a course beyond the time allowed by district policy must receive a symbol or grade for that course on his or her academic record as authorized in section 55023 other than a “W.”

The “W” shall not be used in calculating grade point averages, but shall be used in determining probation and dismissal pursuant to article 3 of this subchapter.

Pursuant to Title 5 Section 58004, instructors shall clear their rolls of inactive students not later than the end of the last business day before the census day for all students. Students who are dropped by instructors after 30% of the term will receive a “W.”

“Inactive students” include:
- “No-shows” are defined as students who did not attend courses at any time.
- Students who have (a) initiated action to cancel enrollment in all courses or (b) have been dropped by authorized college personnel in accordance with Board policies.
- Students who are no longer participating in a course

Instructors may clear their rolls of any student who does not attend the first class meeting, including mandatory orientation sessions for distance education courses. Students not attending the first class meeting must notify the instructor in writing to request that their place be held in the class. Students who do not notify their instructors that they are not attending the first class meeting may lose their place in the class. Students who do not provide proof of meeting course pre-requisites at the first class meeting may also be removed from the roll. For online courses, a student may comply with these requirements electronically by accessing the course website or emailing the instructor during the first official week of the semester.

Military Withdrawal (Title 5 Section 55024(d))
Military withdrawal occurs when a student, who is a member of active or reserve United States military services, receives orders compelling a withdrawal from courses. A symbol of “MW” will be assigned and military withdrawals shall not be counted for the permitted number of course withdrawals nor in progress probation or dismissal calculations. In no case would a military withdrawal result in a student being assigned an “FW” grade. (Also see AP 5013 titled Students in the Military.)

Withdrawals after 75% of the term or 14th week
Students may petition to withdraw from classes due to documented extenuating circumstances after the last day of the 14th week or 75% of the term (whichever is less) and, after consultation with appropriate faculty, shall be recorded as a “W.” Extenuating circumstances are verified cases of accidents, illnesses
or other circumstances beyond the control of the student. All supporting documents must be attached to the petition at the time of submission to the Office of Admissions and Records.

A “W” symbol shall not be assigned, or if assigned shall be removed, from a student's academic record when a;

- Determination is made pursuant to Title 5 Sections 59300 et seq. that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment.
- Student withdrew from one or more classes, where such withdrawal was necessary due to fire, flood or other extraordinary conditions and the withdrawal is authorized by the district pursuant to section 58509.

**Non-Repeatable Courses (Withdrawal “W” Symbol)**

Pursuant to Title 5 Section 55041, a student may withdraw and receive a “W” symbol (not to exceed three times) on his/her record for enrollment in the same course. Students who have received a “W” symbol after withdrawing from a course may re-enroll in the course for a second enrollment without a petition.

After receiving two “W” symbols in a given course, the student may be permitted to re-enroll in a course for a third enrollment provided the following four conditions are met:

1. The student has met with a counselor to complete the petition, develop strategies for success, and develop an educational plan.

2. There is verifiable documentation that extenuating circumstances occurred to cause one or both of the withdrawals (“W”). Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances beyond the control of the student.

3. After meeting with a counselor, the student submits the Petition to Repeat and all verifiable documentation must be attached to the petition at the time of submission to the Office of Admissions and Records.

4. With an approved petition, the student must wait one week after the start of new and returning student registration begins to enroll in the course.
