ART Team Members

Recommendation #1
In order to meet standards, the team recommends that the college regularly update all institutional plans and systematically evaluate the effectiveness of all planning and resource allocation processes. The college should communicate to all college stakeholders the results of these assessment activities, and implement identified improvements on a continuous basis to support and improve student learning. Additionally, the team recommends that the college ensure that planning is linked to budgeting for the effective use of its resources. (I.B; I.B.6; I.B.7; III.D.1.a; III.D.3)

Recommendation #2
In order to meet the Commission’s fall 2012 deadline, the team recommends that the college accelerate its efforts to identify and assess measurable student learning outcomes for every instructional, library and student support program. The team further recommends that the college incorporate student learning outcome assessment results into program planning and resource allocation for the improvement of student learning. (I.A.1.a; I.A.1.c; II.A.2.f; II.A.3.e, b; II.B.4; II.C.2)

Recommendation #3
In order to meet standards, the team recommends that the college allocate resources to create a sustainable infrastructure to support a distance education program that can deliver high quality curricula and support student access and success. (II.A.1.b; II.A.2.d; II.B.3.a; III.C.1)

Recommendation #5
In order to meet standards, the team recommends that the college remedy the lack of library services, learning resources and student support services for evening, Indian Valley Campus, and online students. (II.B.3.a; II.C.1.e, ER 14, ER 16)

Recommendation #7
In order to meet standard, the team recommends that the college develop a facilities master plan to ensure the effective utilization and quality of physical resources which are necessary to support its programs and services. (III.B.2.b)

Recommendation #8
In order to meet standards, the team recommends that the college establish and communicate a sustainable technology plan for the acquisition, maintenance and replacement of its infrastructure, equipment, support and training to meet institutional needs. The team further recommends regular evaluation of this plan for its effectiveness in prioritizing and funding current and projected long-term technology needs. (III.C.1.a; III.C.1.b; III.C.1.c; III.C.1.d)

Recommendation #9
In order to meet standards, the team recommends that the board focus on developing policies that support the quality, integrity and effectiveness of student learning programs and services. The board should deliberate with due diligence and make timely decisions that are in the best interests of the institution.
