To the College of Marin Staff and Faculty – we need your support!

Call to Action for Road to Success 2012

This email is a request to staff and faculty to participate in the planning and execution of the 2012 Road to Success. The event will take place on **Wednesday, September 5 and Thursday, September 6** on the Kentfield campus. The IVC date has yet to be determined.

The Road to Success event is designed to encourage all students to learn about the variety of COM student services, learning resources, programs, and academic departments available to help them succeed in their studies and programs.

When students “walk the road” by going to each “stop”, they will learn important information about services and resources, get their questions answered, and have chances to win prizes.

For services, programs, and departments, the Road to Success is an opportunity to showcase what you have to offer. Participating faculty can earn flex time by manning the tables.

In order to accomplish the 2012 Road to Success, we will need a lot of help from faculty and staff! We are asking for volunteers to lead a sub-committee, or help out on a subcommittee, so that the planning, organizing and execution of the event is a college-wide effort. Sub-committees will be: All Design and Printing Group; Signage and Announcement Group, “Event-in-a-Box” Group, Scheduling Group, Liaison with IVC Group, Evening Students Group, and Post-Event Group.

The services, resources, programs and departments that have been showcased in past RTS events are:
