Good Evening.

This month we are continuing our efforts to facilitate communication with our colleagues. We will be actively encouraging dialogue on the Strategic Plan 2012-2015 among Classified Professionals, when the plan is shared college-wide. We will solicit feedback through email and in person, and forward that information to the Strategic Plan Task Force.

Future activities include:

- October’s fundraiser to support end-of-year recognition activities for Classified Professionals.

- Hosting Superintendent/President Coon at our November meeting for a dialogue with all Classified Professionals.

- Development of Welcome/Orientation activities for new Classified Professionals on an individual basis.

- Continuation of our newsletter in a digital-only format.

Respectfully submitted,

Alice L. Dieli
