The TOEFL iBT is accepted worldwide as an English proficiency test for international students. Join us at either or both campuses for two courses covering different sections of the test. Each course will familiarize you with the format, help you analyze the questions, and give you practice with the test items. Reading/Writing meets Tuesday nights at the Indian Valley Campus in Novato (IVC), and Listening/Speaking meets Thursday nights at the Kentfield campus. Sign up in person or online for one or both courses at www.marin.edu/communityeducation. Click on Class Schedule, English as a Second Language and find the Course Reference Number (CRN). Fotine Fahouris, Instructor.

For more information about these courses, please email Fotine at fotine.fahouris@marin.edu. You may also call the Intensive English Program at 415.883.2211, ext. 8579, or email sara.oser@marin.edu. Register early at www.marin.edu/communityeducation as courses require 12 persons minimum enrollment.
