Resource: Kim O’Gara

Discussion Topics

1. Becky and Chris presented the current issues regarding access to CSU. The University system will restrict enrollments for all students in the spring 2013 and fall 2013. The group discussed the importance of developing more 1440 AAT degrees. We currently have three degrees. The Committee will initiate an effort with Department Chairs to develop new degrees. The group agreed that their primary is reviewing course outlines.

2. Only one Course was pulled by UDWC because it was lacking, BUS 107

3. Chris reported that a growing number of faculty are attending the training sessions. Kim reported that she has been working with faculty on a one to one basis. Lisa offered to work with members of the ART Department to help support them in bring their courses up to date.

4. Chris initiated a discussion concerning the election of a Chair for the Curriculum Committee for the next two years. The process for the election will be as follows: Any current faculty member on the Curriculum Committee that is interested in running for Curriculum Chair is invited to submit their name to Chris via e-mail by March 28th. Chris will send out a ballot with all the names included. Sara McKinnon, as Academic Senate president has offered to receive and review the ballots. Anyone interested in discussing the duties of the Chair should contact Chris.
