Summer & Fall 2012

Dear High School Student:

You are invited to concurrently enroll in College of Marin’s College Credit Program (CCP).

By enrolling in the CCP you:

• will earn college credit for your classes
• may earn high school credit (check with your high school counselor)
• pay no enrollment fee if you are a California resident (other nominal fees may apply); and
• complete your university degree earlier by earning transferable college credit at College of Marin.

College of Marin’s curriculum is equivalent to courses offered for the first two years at the University of California and California State University systems. Each year hundreds of high school students like you enroll in a variety of College of Marin classes, including foreign languages, science, dance, art, music, social sciences, and more.

Other valuable higher education pathways include our workforce preparation programs such as: business, multimedia, court reporting, medical assisting, dental assisting or accounting among others.

For more information regarding registration, please visit our website: www.marin.edu/admissions/, call 415.457.8811 Ext. 7712, or speak with your high school counselor. Once you apply, you may register starting June 11, 2012 for the summer session or starting August 6, 2012 for the fall semester. Summer classes begin June 18, 2012 and fall classes begin August 22, 2012.

I look forward to seeing you on campus.

Sincerely,

David Wain Coon, Ed.D.
Superintendent/President
