Community and Junior Colleges
10 Commercial Boulevard, Suite 204
Novato, CA 94949

Dear Dr. Beno:

On behalf of Marin Community College District, I am pleased to enclose our Follow-Up Report 2012 required by the Accrediting Commission for Community and Junior Colleges as set forth in its letter of February 1, 2012.

The College took seriously the Commission and accreditation team’s feedback and has painstakingly addressed each of the Commission’s seven recommendations as were outlined in the above report. All College constituencies have dedicated significant time, unparalleled commitment, and sufficient resources to ensure all Eligibility Requirements and Accreditation Standards associated with each recommendation have been fully met. This Follow-Up Report is submitted to you with College-wide pride and the unanimous support of each of the College’s constituent groups including the District’s Board of Trustees.

The College acknowledges that efforts to positively address these recommendations have and will continue to increase our ability to provide quality educational programs and services to our students, which will in turn help us to effectively fulfill our College mission and to sustain a process of assessment, action, and change.

We appreciate your review and consideration of our Follow-Up Report and look forward to the team’s visit on November 7-8, 2012. Please do not hesitate to call if you have any questions. I can be reached at (415) 485-9400 and Dr. Chialin Hsieh, the Accreditation Liaison Officer, can be reached at (415) 485-9545.

Sincerely,

David Wain Coon, Ed.D.
