Born out of fear and uncertainty as to who might look at faculty assessments and SLO's, we created a safe place to put all things related to assessment, SLOs and WASC requirements. It is called our WASC Bin.

It contains the following:

- All email conversations relating to SLOs
- Notes from faculty meetings regarding SLOs
- All rubrics past and present
- Articles regarding SLOs and assessment in the field of Dance
- DVD's of performances
- DVD's of class assessments
- Photos of Dance performances

This was truly a blessing.
We did not have full faculty participation until we created the WASC Bin.
