Affordable Community College Education in Marin
- College of Marin is a community college serving students of all ages in Marin, San Francisco, San Rafael, and the wider Bay Area. With campuses in Novato and Kentfield, students can easily access our affordable and flexible course offerings.

For over 80 years, College of Marin has helped students transfer to universities as juniors, train for new careers, advance in their jobs, learn basic skills, and enjoy the benefits of lifelong learning.

From Business to Health Sciences to Performing Arts – there is something for every type of student at the college. Please take a look at our exciting variety of credit/noncredit classes to learn more!
