DegreeWorks

DegreeWorks is only available to current students, academic counselors and certain staff members. If you are not on this list, you do not have permission to access this service.

Help and Tech Support

- Process their degree and certificate of achievement audits.
- View progress toward completion of the associate degree/certificate of achievement.
- See how a student's current courses apply to their graduation requirements.
- Determine how changing a student's major will affect their graduation date.
- Plan for academic goals throughout their College of Marin experience, as well as some colleges or universities to which they intend to transfer (IGETC & CSU Breadth).
- Calculate their grade point average.

DegreeWorks quickly and efficiently helps students:

Help and Tech Support
If you need technical support, contact the Help Desk at degreehelp@marin.edu.

If you have questions regarding your academic record, please contact the Counseling Department at (415) 485-9432.
