Topics Discussed

1. Chris reported that the Academic Senate approved a process that would have every course that is over five years old, that is not submitted to the Curriculum Committee by April 30, will not be included in the Spring 2011 schedule of classes. The committee discussed various ideas of how they will manage to review what might be a significant work load. It was agreed that we will discussed this further when we actually see the number of courses submitted.

2. Chris agreed to talk with Tara regarding some issues on a number of music classes she has submitted. He will report on this at the April 1st meeting.

3. Kim reported the courses that were approved by UDWC.
