

94th

Annual College of Marin

**COMMENCEMENT &
TRANSFER RECOGNITION**

*For there is always light,
if only we're brave enough to see it,
if only we're brave enough to be it.*

– Amanda Gorman

President's Message

On behalf of the entire College of Marin community, I congratulate you on reaching this milestone in your education and accomplishing this during a year of unprecedented challenges.

Though our Commencement and Transfer Recognition Ceremony remains virtual this year, gathering in celebration is an important way we create community. I assure you that the excitement felt by faculty, staff, and the Board of Trustees to celebrate the success of our graduates and transfer students is stronger than ever. During your time at College of Marin, they've shared their knowledge, skills, encouragement, and belief in the power of education. Know they are cheering you on from home.

The grit and determination to persevere under extremely challenging circumstances will carry you far in life. Most achievements are not accomplished alone. Parents, spouses, partners, children, family members, friends, and mentors may have played a significant role in your success.

While you may have had help and support, you have reached this point through your own hard work. You pursued your dream. You made the commitment. And you made the sacrifices. It was through your grit and determination that you attained your goal.

I applaud each of you, and with you go my fondest hopes for your happiness and immense success in all that you do. Although you are graduating and moving on, you are always welcome here. I look forward to hearing of your many successes in the years to come.

Congratulations!

Sincerely,

David Wain Coon, Ed.D.

Superintendent/President

May 2021 Candidates

Candidacy for degrees and certificates is based on a preliminary review of students' academic records. Degrees and certificates are considered official when all grades are received and all requirements for degree or certificate fulfillment are met.

Honors and Awards

Students listed below have achieved special academic commendation with the community college honor society Alpha Gamma Sigma, Alpha Sigma Chapter.

History

College of Marin has been providing outstanding educational opportunities in Marin County since 1926. Established as Marin Junior College, it granted its first associate degrees in the spring of 1929. In 1945, the institution was renamed College of Marin. A second campus, known as Indian Valley Colleges, was added in 1970. Classes are now offered on both the Kentfield and Indian Valley Campuses.

College of Marin is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges (ACCJC/WASC). The College adheres to high academic standards and fulfills the community college mission established by the California Master Plan for Higher Education. Additionally, the faculty is firmly committed to excellence in teaching and student learning.

The College offers university-parallel programs which provide opportunities for students to complete the freshman and sophomore years of study toward the baccalaureate degree before transferring to a university. A variety of two-year vocational and career programs leading to the associate degree are also offered to prepare students for entry into specific technical or semi-professional fields immediately upon graduation.
