

How to cancel registration for a class in your ACTIVE Network Account.

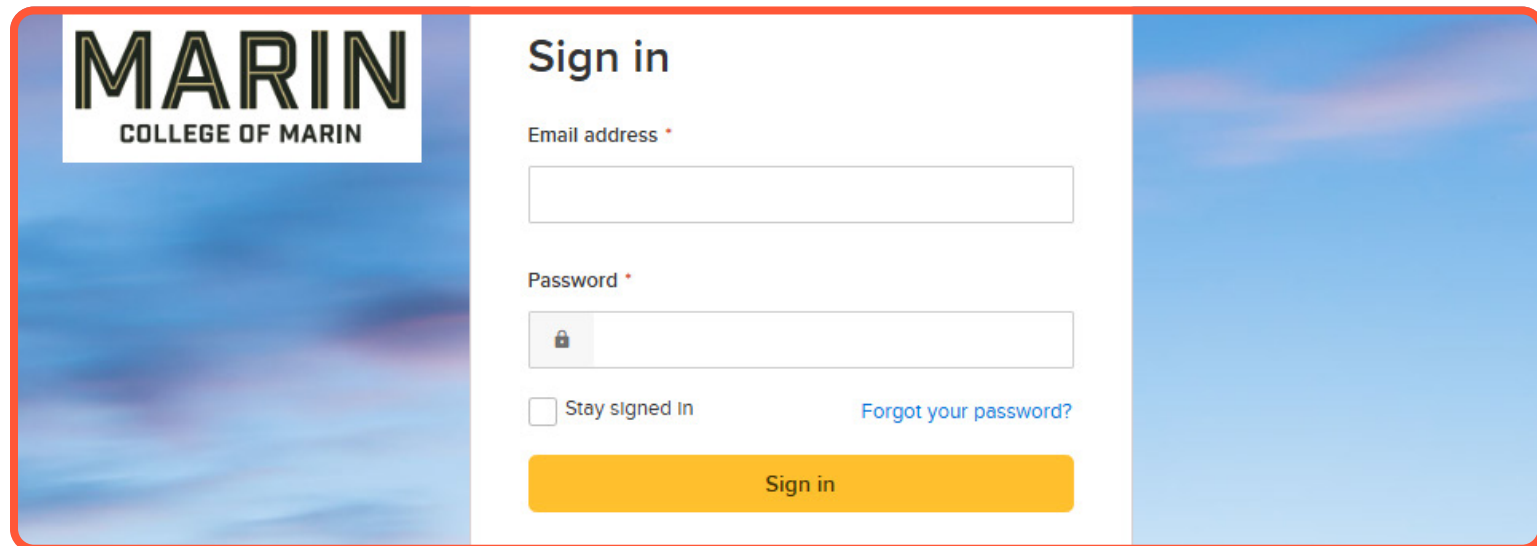

STEP 1

Go to MarinCommunityEd.com. Open the registration system by clicking Class Registration under Quick Links, or by clicking the button Register for Classes on the Home page.

STEP 2

On the following page, click My Programs at the top of the page. Then, use your email address and password to sign in to your Community Education account in ACTIVE Network.

STEP 3
On the following page, find the class you are enrolled for, under Registrants. Click the Edit button and select Cancel.
